GOVERNMENT OF MYSORE

LOCAL BOARDS BRANCH,
LOCAL FUNDS

PROCEEDINGS

Dated 25th June 1900

No. 13678-90
L. F. 39-99

Sanctioning the District Fund Budget
Estimates of the Bangalore Local Fund
Circle for 1900-1901.

Proceedings of the Government of Mysore.

READ—

The District Fund Budget estimates of the Bangalore Local Fund Circle for 1900-1901, received with the President's letter No. 887, dated 15th March 1900.

No. 13678-90—L. F. 39-99, DATED BANGALORE, 25TH JUNE 1900.

ORDER THEREON—The estimated receipts for 1900-1901 under all heads amount to Rs. 72,653 against Rs. 70,052 the actuals of 1898-99 and Rs. 72,105, the sanctioned estimate for 1899-99.

2. *I. Seventy-six per cent of one anna cess.*—The enclosure A shows that no arrears are likely to remain outstanding at the beginning of the year 1900-1901 and the whole demand under this head is given as Rs. 66,552 in column 6 thereof, whereas the proposed estimate exceeds this amount by Rs. 691. Pending the receipt of information as to the source from which this additional income is expected, the estimate proposed will not be disturbed.

3. The sanctioned estimates for 1899-1900 under the below noted heads are repeated in the present budget, though the actuals for 1898-99 are much below the estimates as shown against each. It should be explained why the estimates under these heads may not be reduced with reference to the actuals. Pending information, the estimates will stand :—

	Actuals 1898-99.	Estimate for 1899-1900.
II. Sale of stray cattle	727	1,200
III. Fees for cattle trespass	2,262	3,000
VII. Private contributions	100	240

4. *Opening Balance.*—In lieu of the estimate of Rs. 17,682 proposed by the President, a sum of Rs. 13,571 will be adopted as the correct amount under the head with reference to the actual balance on 1st July 1899 and sanctioned estimates for 1899-1900 :—

	Rs.
(1) Actual Balance on 1st July 1899	40,116
(2) Estimated Receipts for 1899-1900	72,105
Total	1,12,221
(3) Estimated Expenditure for 1899-1900	98,650
(4) Estimated Balance on 30th June 1900	13,571

EXPENDITURE.

5. *A. Public Works to be executed by Public Works Department.*—The provision under “II Repairs” includes increased rates of mileage allotments for the below noted roads as well as a reserve of Rs. 1,275 for minor works. The latter provision will be retained but that for increased rates of mileage allotments, which is of a permanent nature, will be disallowed, pending the special sanction of Government to be obtained on a separate reference showing the necessity for the increase proposed in each case. Owing to the reduction under “Works” the provision for establishment will be reduced by Rs. 301 :—

Details of works.	Budget for 1899-1900.		Budget for 1900-1901.	
	Miles.	Rs.	Miles.	Rs.
(a) Hoskote, Kadgod, Anekal Railway feeder for 10 out of 30 miles.	10 at	50= 500	10 at	75= 750
(b) Bangalore-Mysore road via Kankanhalli 35 miles out of 44.	35 at	90= 3,150	35 at	120= 4,200
(11) Attibele-Mattikere road	3 at	50= 150	3 at	75= 225
(15) Bangalore-Varthur road	8 at	50= 400	8 at	75= 600
(17) Nelamangala, Golhalli, Doddballapur Railway feeder 5 out of 21 miles.	5 at	50= 250	5 at	80= 400
Total		4,450		6,175
Reserve grant		3,000		1,275

Proceedings of the Government of Mysore,

6. *B. Public Works to be executed by Revenue Department.*—The small provision of Rs. 1,343 proposed under “II Repairs” is allowed. But it is not clear why no provision is made on account of establishment charges at 10 per cent on the cost of works. Pending information a sum of Rs. 134 will be entered under “III Establishments” on this account.

C. CIVIL CHARGES.

7. *IV. Midwives.*—The provision made for the salary of an additional midwife proposed to be entertained in the new dispensary at Tyamagondlu accounts for the increase in the estimate under this head, which is allowed.

8. *VI. Conservancy and Sanitary Charges.*—Provision for twelve months is made in the present budget on account of the salaries of sweepers employed at Kalya and Bidadi, while in the sanctioned revised budget for 1899-1900 only seven months’ charge was entered. This accounts for the increase under this head. The estimate is passed.

9. *IX. Contribution.*—The usual provision for the maintenance of District Fund roads within the limits of the Bangalore City has been omitted in the present budget under the erroneous impression that these roads are maintainable from Provincial Funds, under Government Proceedings No. 389-401--11-23, dated 2nd May 1899. As this order applies only to Provincial roads within Municipalities, other than those of the Bangalore and Mysore Cities and not to District Fund roads, the usual provision of Rs. 1,000 will be entered on account of contribution towards the cost of District Fund roads and the provision under this head raised to Rs. 4,250.

10. *X. Miscellaneous.*—The present budget repeats the provision of Rs. 100 sanctioned in the supplemental budget for 1899-1900 on account of the purchase of an Amruthmahal bull for the Devanhalli taluk. The necessity for the repetition of the provision should be explained. Pending information the estimate will be retained.

11. The other items call for no remarks and are passed.

12. The budget estimates of receipts and expenditure of the Local Fund Circle of Bangalore for 1900-1901 are sanctioned as per details given in the accompanying appendices of which an abstract is given below :—
